

### TERMS & CONDITIONS

1. This catalog has been designed with illustrations to help the buyer in preparing his order. Those prices that are indicated were guides at the time of printing only and should not be used in billing computations.
2. We cannot be held responsible for any errors or omissions in this catalog.
3. All orders are subject to approval by our Credit Department, and the possession of this catalog is not an offer from us to sell.
4. Delivery of material to the common carrier shall constitute delivery to buyer, and damage thereafter is buyer's risk. Claims for damage to, or loss of material in transit shall be filed by buyer direct with carrier.
5. All material sold is subject to manufacturer's warranty only.

### RETURNED GOODS POLICY

1. Authorization from our office must be secured before any material or appliance may be returned to us for credit. Any material claimed defective that is covered by a factory warranty must be accompanied by the necessary warranty information. When authorization is requested, the date material was purchased and the invoice must be given either to our salesman or to our office. Credit will be allowed only for the net salvage value allowed by the factory on special ordered items or items that we do not normally stock.
2. A 10% re-stocking and re-handling charge will be made on items authorized to be returned for credit, except when it is our mistake. Special ordered items cannot normally be returned.
3. No materials will be accepted for credit or authorized for return after ninety (90) days from date of purchase.
